Royal, Nebraska, March 15, 1943
Gentlemen, - A well-written or carbon-copied
list of \pm 250 local plants, generally with first
dates of bloom seen by me in any one year
1924-1942, in either Latin or English, will be
sent upon receipt of 25¢, 4 different lists
of 4 different years, \$1.00 or as many more
lists as you like @ 25¢ each list. An Official
Governmental Purchase Order will be promptly
honored, but if your order amounts to less
than one dollar, 1 or 3¢ U. S. A. postage
(over)

stamps will be very acceptable if received
 in your letter. This is a partial copy of my
 A. D. 1941 list which contains about 210 plants.

04/10 <i>Lomatium orientale</i>	If you wish old seeds
04/12 <i>Ulmus fulva</i>	of these plants for
4/14 <i>Ulmus pumila</i>	herbarium or experi-
4/14 <i>Ulmus americana</i>	mental purposes
4/14 <i>Acer negundo</i>	and not for propaga-
4/18 <i>Fraxinus lanceolata</i>	tion I believe I can
4/27 <i>Xanthoxylum americanum</i>	send them by
4/28 <i>Celtis occidentalis</i>	mail without mark-
04/30 <i>Prunus americana</i>	ing them at all, but
5/5 <i>Lathyrus ornatus</i>	probably it would be
5/8 <i>Prunus virginiana</i>	best if you could send
5/9 <i>Quercus macrocarpa</i>	me a permit without
5/14 <i>Pentstemon albidus</i>	charge to me so that they
5/28 <i>Pentstemon grandiflorus</i>	would not require
5/27 <i>Peoralea esculenta</i>	examination by postal
6/1 <i>Delphinium albescent</i>	authorities. These
6/3 <i>Yucca glauca</i>	old seeds may or may
6/30 <i>Ipomoea leptophylla</i>	not be viable. All
7/23 <i>Polanisia trachysperma</i>	are 10¢ per oz or
8/8 <i>Sorghastrum nutans</i>	less quantity if

I do not have a full ounce. I mean I have no old
 seeds, only a 10¢ sample, etc. 2 oz of old seeds. New
 seeds may be gathered in the 1943 season upon order.
 All prices on this card, post paid. - Correspondence
 and inquiries concerning the local flora and its
 products from you or any one in the U. S. A. are always
 welcome and will be answered gladly, gratis, and
 freely.

Yours Respectfully,
 J. B. C. Kerner, Botanical Collector, Royal
